Yes, I was thinking about this...

**SAN JACINTO RIVER WASTE PITS:** The site team in coordination with Harris county and State agencies will host a Community Advisory Group (CAG) meeting on 3/12/14 at the Harris Pollution Control Services office. The site's proposed plan schedule and options will be discussed, the recent community meeting, and other Community Engagement issues to be discussed. **(D. Walters x6483)**

**TASC, MEETING FACILITATION:** ECR contact D. Walters working with HQ on TASC services for several R6 sites this year, also the procurement of a Neutral Facilitator for an upcoming difficult public session for the Cavalcade sites. **(D. Walters x6483)**

**ARKWOOD:** Revision and update of the CIP is underway with contractor to meet the continued inquiry by a concerned citizen. **(D. Walters x6483)**
